RESUBMISSION OF SECOND SUPPLEMENTAL IDS

Dear Examiner Mew:

We are writing in regard to the Second Supplemental Information Disclosure Statement filed on behalf of the applicant on November 4, 2002. A copy of that IDS – stamped received by the USPTO on November 13, 2002, and initialed and signed by the Examiner – is enclosed.

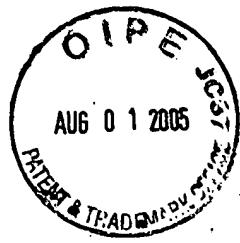

We note that the Foreign Patent reference, WO 97/31503, apparently was not initialed by the Examiner. We have enclosed a copy of this reference. We respectfully request that the Examiner acknowledge consideration of the reference by initialing the line on the IDS where the reference is listed and providing a copy of the initialed IDS to us.

As this is a resubmission of a previously-submitted Information Disclosure Statement, we believe that no fee is required.

Respectfully submitted,

By:
